‘Now thank we all our God,  
with heart and hands and voices,  
Who wondrous things has done,  
in Whom this world rejoices;  
Who from our mothers’ arms  
has blessed us on our way  
With countless gifts of love,  
and still is ours today.’

## Father Stuart's Message for November 2017

### NOW THANK WE ALL OUR GOD

Fall is here and the days are growing shorter and the nights cooler. Where has the year gone? Before we know it, it will be Thanksgiving Day, followed by Advent, then Christmas, and finally New Years. But before I get too far ahead of myself, let's just focus on Thanksgiving.

Thanksgiving Day means many different things to people. It may be turkey and a dining room table laden with more food than we can possibly eat. It may be the parades and the football games. For some, it is a morning of hunting and for others, it is sifting through the mountain of newspaper ads scoping out the Black Friday deals.

I often find myself thinking musically with such hymns as "We gather together to ask the Lord's blessing", "Come ye thankful people come", "We plow the fields, and scatter the good seed on the land", "Songs of thankfulness and praise, Jesus, Lord, to Thee we raise" and then there's my favorite:

'Now thank we all our God,  
with heart and hands and voices,  
Who wondrous things has done,  
in Whom this world rejoices;  
Who from our mothers' arms  
has blessed us on our way  
With countless gifts of love,  
and still is ours today.'

But in reality, thanksgiving isn't something we celebrate only once a year. We are in fact celebrating thanksgiving every time we gather to share Holy Communion. What do we call Communion? We call it the Holy Eucharist and this word "eucharist" is full of meaning. This curious word has its origin in Latin *eucharistia*, and Greek *eukharistia* which means "thanksgiving, or gratitude" and from *eukharistos* meaning "grateful". *Eukharisteo* is the usual verb for "to thank, to be thankful".

So each time we gather around the Lord's table, it's good to remember that this is also a Thanksgiving Feast full of God's love, grace, and generosity; thus we call the Eucharistic Prayer, "The Great Thanksgiving" for we remember with gratitude the gift of Christ given freely to each and every one of us.

We will be having a Thanksgiving Day service in the church at 10 a.m.

May you each have a Happy Thanksgiving whether it be Thursday, November 23<sup>rd</sup>, at any Holy Eucharist during the year, or whenever you are gathered together with family and friends and give thanks.

Fr. Stuart

## More good reasons to have a proof Reader

Eight new choir robes are currently needed due to the addition of several new members and the deterioration of some older ones.

Please place your memorial donation in the envelope along with the deceased person you want remembered.

The church will host an evening of fine dining, super entertainment and gracious hospitality.

Pot luck supper Sunday at 5:00 p.m. — prayer and medication to follow.

## Telephone Messaging System Surveys

Thanks to those of you who have turned in the telephone surveys. The majority of you do want to be a part of this program. If you have not yet returned your survey, please give it to the office or put it in the wooden box on the shelf outside the office by November 1<sup>st</sup>. As Fr. Stuart announced in church, this will only be used for emergencies or last minute announcements that have to get to everyone immediately.

Starting in November, we will begin using this service. On November 20<sup>th</sup>, we will send out a “test call” to everyone who has indicated that they want to be contacted. If you have any questions, contact Fr. Stuart or Pam McClelland (804) 832-4234.

## WHAT'S GOING ON WITH THE WALL?

On Friday, October 27<sup>th</sup>, The Garden Club of Virginia began work on a section of the wall that surrounds the church and the cemetery. A large oak tree that is next to the wall has grown to the point that it is pushing against the wall and causing cracks in it.

Years ago, a few courses of bricks near the ground were removed to allow the tree room to grow. But now the roots are too large and too spread out to allow that section of the wall to remain. Therefore the Garden Club, in consultation with the Cemetery Committee, has hired experienced masons to remove that portion of the wall which they had installed many years ago including the foundation that supported it. The ends of the wall will be finished off and the oak tree will have ample room to continue growing and add to the beauty of our lovely church and cemetery.

## BABY GRAND PIANO DONATED TO CHRIST CHURCH

Very recently the piano in the parish hall, which had broken legs on it, was removed to another room in order to make way for a beautiful baby grand piano donated to us by Steve Richardson and Bert Butler. It has now been tuned and is ready for us to enjoy whenever the need may arise. Please thank Steve and Bert for this lovely addition to the parish hall when you see them.

## Happy Anniversary

Please check with your friends and neighbors, we need to find a couple married in the month of November who would be willing to join our congregation. We currently do not have anyone married in November who is a member in good standing.

## SPECIAL NOTICE

In last months edition I asked for a volunteer to temporarily take on the newsletter. The response was underwhelming (1). In the meantime my brilliant fixer and teacher, Mike Floyd, agreed he was well qualified for the job and finally agreed to take it on. So, while I undergo surgery on my left elbow on October 30th and my right one shortly thereafter, please continue to send your suggested articles to:

Mike.Floyd@va.metrocast.net

Mike will do a much more polished job than I am capable of. Jack T.
